25 I'm a resident of Nevada. My comment would

0015

1 be is: I'm opposed to the Yucca Mountain dump site.
2 Don't make Nevada the dump site for the rest of the
3 country. If we pass it, I will move to one of the
4 other 49 states. I don't believe that it's tested
5 thoroughly enough for researched enough. I believe my
6 legal rights have been trampled upon and I think that
7 with over 40 million tourists coming to our state and
8 in this coming decade or this decade that we're in,
9 that I think it's irresponsible of us to consider
10 building something of this magnitude within 100 miles
11 of a city of this proportion.
